ARTIGIANO Collection is a Tribute to our beginnings, when our production was achieved by Art Deco craftsmen, when the process was totally handmade. Obviously its result was a decorative tile, with craquele effects and metallic colours. Each piece was unique and impossible to repeat.

ARTIGIANO, colección basada en nuestros comienzos, cuando nuestra producción estaba hecha por un artesano en ARTES DECORATIVAS, cuando fabricábamos piezas decorativas y con arte final que reflejaban un proceso manual, con colores reactivos y craquelés. Cuando cada color, efecto, sensación de nuestras piezas era algo único e imposible de repetir.
