

SUPREME WHITE/100X180/P — SUPREME WHITE NT/75,5X151/C/R

Supreme

SUPREME is a collection that unites stylish elegance with a strong design appeal. Inspired by select pieces of Invisible Blue marble, its bluish-grey surface veining contrasts with the white background, lending each of the tiles a personality more synonymous with a work of art. Its Natural finish has been enriched through the incorporation of additional effects to the veined pattern, with end results that surpass those of the real marble. Available in 4D TECH, in both a Premium Polished and Shaped finish, in 180x100cm and 100x100cm formats. Also available in a Polished or Natural finish in a 60x120cm or 75.5x151cm format, and in 33.3x100cm wall tiles in a Natural finish. SUPREME is perfect for creating settings conceived to make a unique, highly original impact, elevating the concept of deluxe sophistication to new levels.
