Crystal White/75,5x151/EP

Crystal reproduces the profundity of quartz, with all the realism of the genuine article. The subtle veins in its select design give it a delicate personality.

The collection comes in a choice of two colours able to infuse settings with subtle beauty: White, synonymous with soothing luminosity; and Thunder, a warmer option. Its 75.5x151cm and 60x120cm formats come in a single Polished finish.

Cuando la profundidad gráfica de un cuarzo se plasma como en la naturaleza surge Crystal, un diseño especial que con su ligero vetado aporta personalidad y sensibilidad al mismo tiempo.

Su tono White representa la calma y claridad a los espacios, mientras que el tono Thunder representa el carácter cálido de los mismos, ambos permiten convertir cualquier espacio en delicado y fino. Se encuentra disponible en 75,5x151cm y 60x120cm, en un único acabado Polished.
