

LUMINA

LUMINA is a soft-coloured collection inspired by the semi-precious stone, onyx. This is a unique collection, with the mirror-like shine characteristic of Museum's glazed porcelain tiles, suitable for all kinds of living spaces. Its formats and colours have been extended and now it comes in a 75.5x151cm and 60x120cm format in addition to a 33x100cm one for walls in a choice of two colours: Ice and Beige.
